

What is the difference between a Case Manager and Wraparound Facilitator?

- Case Manager
- Link
- Coordinate
- Direct service provider
- Advocate
- Monitor progress
- Mental Health or single system focused
- Agency accountable
- Wraparound Facilitator
- Facilitates planning process
- Brings team together
- Holistic focus and responsibility
- Organizes team members to achieve agreed upon outcomes
- Ensures plan is implemented
- Provides when it does not fit anywhere else
- Investigator of need not coordinator of services
- Community Accountable as well as agency accountable
